

MULTI PURPOSE LUBRICANT

- Protects metal from rust and corrosion
- Loosens rusted nuts and bolts with fast penetration
- Eliminates squeaking noises
- Cleans dirt, oil, asphalt, and dust

Available sizes :
120, 220, 350, 500, and 3.800 ml

2X Faster Penetration 3X More Effective Lubrication
3X Better Protection More Affordable

**Compared to other brands*

HIGH PERFORMANCE CHAIN LUBE

- Lubricates & slows down chain wear
- Extends the life of the chain and sprocket
- Maintains chain performance under heavy loads
- Protects the chain from rust

Available sizes :
120 & 350 ml

2X Longer Adhesion 2X Better Anti-Dust & Dirt
3X Better Protection More Affordable
3X More Effective Lubrication

**Compared to other brands*

MULTI PURPOSE DEGREASER

- Removes stains & protects metal surfaces
- Removes oil, dirt, and grease
- Quick and easy application
- Leaves no residue

Available sizes :
220 & 500 ml

2X Longer Rust Protection 3X Better Cleaning
3X Faster and More Effective Cleaning More Affordable

**Compared to other brands*

ULTIMATE HAND CLEANER

- Removes tough dirt, grease, oil, and grime
- Rinses clean in one wash (Environmentally friendly)
- Does not contain harsh solvents
- Contains moisturizers & antibacterial agents

Available size :
443 ml

3X Faster Cleaning Gentle on Skin
3X Better Cleaning More Affordable

**Compared to other brands*

SPECIALIST CONTACT CLEANER

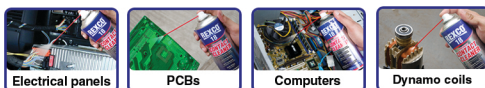

- Cleans electrical components
- Leaves no residue & dries quickly
- Does not conduct electricity
- Prevents corrosion

Available sizes :
220 & 500 ml

More Affordable 2X More Effective Cleaning
Safe for Electrical Components 2X Faster Drying

**Compared to other brands*

CARB & INJECTOR CLEANER

- Effectively cleans dirt, carbon, varnish, and gum on carburetors and injectors
- Equipped with anti-corrosion
- Reduces vehicle exhaust emissions
- Fast penetration

Available sizes :
300 & 500 ml

Improves Vehicle Performance 3X Faster and More Effective Cleaning
Maintains Engine Component Life More Affordable

**Compared to other brands*

SPARE PARTS & BRAKE CLEANER

- Cleans dirt, carbon, oil and asphalt residue on the brake system
- Effective without disassembly
- Maintains industrial spare parts
- Improves the performance of the brake system and machine parts

Available sizes :
220 & 500 ml

3X Better Component Performance 2X Longer Component Life
3X Faster and More Effective Cleaning More Affordable

**Compared to other brands*

HIGH TEMP MULTI PURPOSE LITHIUM GREASE

- Lithium grease for heavy-duty applications, with anti-wear and rust inhibitors
- Water resistant, works well in wet conditions
- Operating temperature up to 500°F
- Suitable for various machine and vehicle components

Available size :
400 grams

3X Better Component Performance Highly Stable and Water Resistant
2X Longer Component Life Withstands up to 500°F

**Compared to other brands*
